

Chardonnay

vintage	2022
appellation	Lower Austria
alcohol by volume	13 Vol.%
residual sugar	2,5 g
acid	7,5 %
tasting	Bright yellow, a grapefruit finish on the palate with a delicate Burgundian aftertaste.
cuisine	This wine is the perfect complement to fresh sheep and goat cheese as well as variations with strawberry, apricot and fruit sorbets.
certification	Sustainable Austria

Our Chardonnay also grows in the Kremser Sandgrub. The Krems sand pit, first mentioned in 1215 as 'Sandgrub', consists mainly of loamy fine sand with coarse fractions of crushed stone and gravel in the subsoil.
